PAOLO BACHICHA

OBJECTIVE

I am seeking a dynamic role that supports skill growth and values continuous improvement. Eager to contribute effectively to team success, I bring dedication, adaptability, and a strong commitment to delivering high-quality solutions in a supportive environment.

WORK EXPERIENCE

Computer Science Subject Tutor   2022 - 2023
Course Hero

- Provided personalized support by simplifying complex concepts and adapting to various learning styles.
- Improved communication skills through clear, concise explanations designed to individual needs.
- Managed multiple sessions, ensuring organized tracking of client progress and goals.
- Delivered client-focused solutions, enhancing overall satisfaction and learning outcomes.

Freelance Web Developer   2023 - Present

- Specialized in creating user-friendly, responsive websites with proficiency in HTML, CSS, Bootstrap 5, JavaScript, PHP, Laravel, and MySQL.
- Collaborated with clients to deliver personalized solutions, ensuring alignment with their needs and objectives.
- Strengthened communication and project management skills by coordinating tasks and maintaining deadlines.
- Focused on enhancing client satisfaction through attention to detail, problem-solving, and delivering high-quality outcomes.

INTERNSHIP

Laravel Developer Intern   December 2023 - April 2024
Gleent Incorporated

- Worked as a Laravel Developer Intern, enhancing system functionalities, optimizing components, and improving data validation.
- Managed and coordinated tasks for co-workers and fellow interns, ensuring efficient project workflow.
- Took detailed meeting notes, tracking assigned tasks and key information to support team productivity.
- Developed skills in task management, communication, and reporting to maintain seamless operations.
